CALL FOR APPLICATIONS

## DOLORES

DOKU E.V. | LOTHRINGER13\_LADEN | RESIDENCY

JULY 16TH, 2011 – SEPTEMBER 24TH, 2011 | MUNICH

The purpose of DOLORES is to create international dialogue and networks by promoting interdisciplinary / processual projects and experimental art practices. It is an opportunity to realise a project of your choice in Munich.

For the sixth time, two Munich art institutions – the artists` colony Domagkstraße (Domagk Kunstunterstützung e.V.) and the city-run art space lothringer13\_laden – offer a 10 weeks artist residency in Munich for art producers from abroad.

**The residency term is July 16th, 2011 – September 24th, 2011.**

During the residency term, the lothringer13\_laden show-room (60 m<sup>2</sup> gallery space) is kept vacant for studio work following by a 3 weeks solo-exhibition in September.

The resident will be provided with a sleeping accomodation with bathroom adjoining the gallery in Lothringer Straße and a bike.

This Residency offers a 1,500 euro grant to the approved artist, which can cover living expenses, exhibition production, plus 250 euro for travel costs.

**E-mail application deadline: 20th April, 2011**

### DETAILS

#### Eligibility:

Candidates for DOLORES must not live in Germany at the time of their application; a non-German citizenship is required. There is no age-limit. Candidates should have a degree in fine arts or an equivalent / similar qualification. Candidates must not receive additional grants in Munich, neither at the time of their application nor at the time of the residency.

#### Project:

Experimental artistic strategies, such as performance, installation art, are preferred, although not a condition. We strongly encourage applications of artists who reflect and work with the given context and use the gallery space, the public sphere or certain (social, cultural, historical, architectural...) aspects of the city as a material for their projects.

## CALL FOR APPLICATIONS

## DOLORES

### Residency:

Since the DOLORES programme focuses on an active dialogue between the resident and his or her local framework, the candidate's ability to speak German or English is a prerequisite. If interested, the resident will be brought into contact with the local art scene (art academy, galleries, museums, artist community). Residence in Munich during August/September 2010, participation and developing a solo-show for lothringer13/laden are obligatory conditions for the DOLORES residency. During his or her residency term in Munich, the resident must not work more than 10 h/week besides his or her artistic activities.

### DOLORES includes:

- 60m2 gallery space at lothringer13\_laden during residency
- free accomodation at lothringer13\_laden
- free WLAN internet access
- project budget of 1.500,- EUR + 250,- EUR for travelling
- a bike
- PR by lothringer13\_laden (flyer, listing in local magazines, advertisement through mailing lists)
